

Sea Turtle Rescue

Certificate of Adoption

Denise & Scott Kitchen

Has officially adopted an Olive Ridley nest (*Lepidochelys olivacea*) at Pozo de Cota-Margaritas beach, Cabo San Lucas, México.

Your donation will help to protect and save endangered species and preserve their habitats which are currently at risk under these categories:

NOM-059- SEMARNAT-2010: Endangered (P) (SEMARNAT, 2010)

IUCN: Vulnerable (VU) A2bd (IUCN, 2009)

CITES: Apéndice I. Endangered (CITES, 2010)

Nest Code: L004

Number of Eggs: 117

With gratitude from the Friends of Pozo de Cota Beach.
Please go to www.ecoplanac.org to view your adopted nest(s) as they become incubated and released.
